Singular or plural?
by Brian Franklin - Wednesday, 22 February 2017, 12:52 PM

Our course is called Digital Literacy but online I have seen it pluralised - Digital Literacies. Which is correct?

Re: Singular or plural?
by Jeffrey Sanders - Wednesday, 22 February 2017, 12:55 PM

Both are correct - and neither! Don't worry too much about it. It is such a wide ranging topic that some people think using the singular term is not enough.

In fact, we look at one model which encompasses eight elements of Digital literacies. Perhaps when you've gone through that, you can come back and comment again?

The attraction of Mental Illness
by Heather Reyes - Wednesday, 16 July 2014, 12:39 PM

All three films depict mental illness and all three were very successful. Why do you think people find films dealing with mental illness appealing to watch?
